EARTH ELECTRODE RESISTANCE

Voltex
Full range of electrode resistance instruments

ENVIRONMENTAL TESTERS

ACTOM Electrical Products
Full range of humidity temperature, wind and sound environmental testers
Atlas
Various well-known brands available
Comtest
Indoor quality testers; parical counters; air meters and airflow; temperature humidity meters; HVAC multimeters and clamps
Electro Test Instrumentation
Full range of environmental testers
HellermannTyton
Digital lux meter (T630); sound level tester (T325); anemometer/hygro/lux/temperature (T8000)
Major Tech
Complete range of environmental testers
Voltex
Various well-known brands available

HV PROBES

ACTOM Electrical Products
Full range of HV probes
Atlas
Various well-known brands available
ARB Electrical Wholesalers
Full range of HV probes
Denver Technical Products
High voltage probes, transducers and measurement for ac and dc applications
Electrahertz
Range of HV probes
Electro Test Instrumentation
Full range of HV probes
Voltex
Various well-known brands available

INFRARED THERMAL IMAGING

ARB Electrical Wholesalers
Full range of infrared thermal imagers
Atlas
Various well-known brands available
Comtest
Full range of Fluke infrared thermal meters
Electrahertz
Range of thermal imagers
Electro Test Instrumentation
Full range of thermal imagers
HellermannTyton
Full range of infrared thermal imagers; Thermal IR camera (THT45); Thermal Imager (TPK 1600)
Khanyisa Electrical Suppliers
Full range of infra red thermal imaging (HellermannTyton, Major Tech, Flir, Fluke)
Magnet Group
Full range of infrared thermal imagers
Major Tech
Comprehensive range of infra red thermal imaging cameras, and multimeters with thermal imaging
R&C Instrumentation
Infrared inspection windows; infrared thermal imagers, fixed and portable
Voltex
Various well-known brands available
Waco
Range of infrared thermal meters

COMPLIANCE TESTERS

ACTOM Electrical Products
Full range of compliance testers and contractor's kits
ARB Electrical Wholesalers

Full range of Fluke compliance testers
Electrahertz
Range of compliance testers
HellermannTyton
Full range of compliance testers including kits; compact digital compliance kits (TCTCDK); analogue compliance kit (TCTRP); compliance tester (MACROG3); compliance/three-phase power analyser (T60)
Magnet Group
Full range of compliance testers
Major Tech
Range of Compliance Testers to complete all COCs
MCE Electric
MCE socket tester
Voltex
Various well-known brands available

CLAMP-ON METERS

ACTOM Electrical Products
Full range of clamp-on meters
ARB Electrical Wholesalers
Full range of clamp-on meters
Atlas
Various well-known brands available
Comtest
Full range of Fluke clamp meters
Denver Technical Products
Clamp on metering units for all ranges of current, for measurement of ac and dc currents
Electrahertz
Range of clamp-on meters
Electro Test Instrumentation
Full range of clamp-on meters
Eurolux
Limited range of clamp-on meters
HellermannTyton
Full range of clamp-on meters including AMPPTIP; TBM175D 600 A ac; TBM089 1000 A ac/dc; TBM197 2000 A ac/dc
Khanyisa Electrical Suppliers
Full range of power tools (Major Tech, Fluke, HellermannTyton)

CLAMP-ON METERS

Magnet Group
Range of clamp-on meters

Major Tech
Comprehensive range of clamp-on meters, ac, ac/dc, True RMS and average reading

Megger
DCM

Phoenix Contact
Full range of clamp-on meters

Voltex
Various well-known brands available

Waco
Range of clamp-on meters

EARTH-LOOP IMPEDANCE TESTERS

ACTOM Electrical Products
Full range of earth-loop impedance testers

ARB Electrical Wholesalers
Full range of earth-loop impedance testers

Atlas
Various well-known brands available

Comtest
Full range of Fluke earth-loop impedance testers

Electrahertz
Range of earth-loop impedance testers

Electro Test Instrumentation
Full range of earth-loop impedance testers

HellermannTyton
Full range of earth-loop impedance testers; multifunction device (T419); compliance tester (MACROG3); compliance/three-phase power analyser (T60)

Khanyisa Electrical Suppliers
Full range of power tools (Major Tech, HellermannTyton)

Magnet Group
Full range of earth-loop impedance testers

Major Tech
Approved range of Earth-Loop/Impedance and PSC Testers

Megger
LTW

Voltex
Various well-known brands available

POWER ANALYSERS

ARB Electrical Wholesalers
Full range of power analysers

Atlas
Various well-known brands available

Comtest
Full range of Fluke power quality analysers

Denver Technical Products
Power analyser range of products, for handheld and permanent installation applications

Electrahertz
Range of power analysers

Electro Test Instrumentation
Full range of power analysers

HellermannTyton
Full range of power analysers; three-phase power quality analyser and recorder (T824); three-phase power quality analyser (T78); three-phase and single power quality analyser (TPQAB20); compliance/three-phase power analyser (T60)

Impact Power Innovations
Full range of power analysers, fixed, portable and handheld

Magnet Group
Full range of power analysers

Major Tech
Power Quality Analyser and Compact Power Meters

Megger
MPQ

Voltex
Various well-known brands available

MULTIMETERS

ACTOM Electrical Products
Full range of multimeters

ARB Electrical Wholesalers
Full range of multimeters

Atlas
Various well-known brands available

Full range of Fluke multimeters

Denver Technical Products
Fluke range of multimeters

Electrahertz
Range of multimeters

Electro Test Instrumentation
Full range of multimeters

EuroLux
Limited range of multimeters

HellermannTyton
Full range of multimeters from DIY to five-in-one combinations, including T835; TBN812XEX; T8209

Indlovu Enterprises
Range of Fluke multimeters

Khanyisa Electrical Suppliers
Full range of multimeters (Fluke, HellermannTyton, Major Tech)

Magnet Group
Fluke range of multimeters

Major Tech
Extensive range of digital multimeters for industrial and domestic applications

Megger
AVO

Phoenix Contact
Full range of multimeters

Voltex
Various well-known brands available

Waco
Range of Amprobe and Waco multimeters

VOLTAGE TESTERS

ACTOM Electrical Products
Full range of voltage testers

ARB Electrical Wholesalers
Full range of voltage testers

VOLTAGE TESTERS

Atlas
Various well-known brands available

Comtest
Full range of Fluke voltage testers

Denver Technical Products
Full range of voltage transducers for permanent installations

Electrahertz
Range of voltage testers

Electro Test Instrumentation
Full range of voltage testers

HellermannTyton
Full range of voltage testers including non-contact and high voltage; non-contact voltage tester (TLVD17); WIBRE 1000; Telescopic HOT Stick-Ritz (VTT25F)

Khanyisa Electrical Suppliers
Full range of power tools (Fluke, HellermannTyton, Major Tech)

Magnet Group
Full range of voltage testers

Major Tech
Digital and LED Voltage Testers

Phoenix Contact
Full range of voltage testers

Voltex
Various well-known brands available

MEASURING INSTRUMENTS FOR SITE SURVEYING

Comtest
Fluke level and distance meters

Indlovu Enterprises
Cable route tracing for ground surveying

Major Tech
Laser distance meters and video borescopes

OSCILLOSCOPES

Atlas
Various well-known brands available

Comtest
Full range of oscilloscopes including Pico, Fluke Calibration, GW Instek and Tektronix

Electro Test Instrumentation
Full range of oscilloscopes

Major Tech
Handheld Digital Oscilloscope/Multimeter

Voltex
Various well-known brands available

PHASE TESTING

ACTOM Electrical Products
Full range of phase testing equipment

ARB Electrical Wholesalers
Full range of phase testing equipment

Atlas
Various well-known brands available

Comtest
Fluke phasing meters

Electrahertz
Range of phase testers

Electro Test Instrumentation
Full range of phase testers

HellermannTyton
Full range of phase testing equipment; non-contact, three-phase detector (T890); three-phase rotation indicator (T887); high voltage tester (TPC11K)

Major Tech
Non-contact and contact phase rotation meters

Megger
PSI; MFT

Voltex
Various well-known brands available

TEMPERATURE TESTERS

ARB Electrical Wholesalers
Full range of temperature testers

Atlas
Various well-known brands available

Comtest
Fluke temperature testers

Electrahertz
Range of temperature testers

Electro Test Instrumentation
Full range of temperature testers

HellermannTyton
Full range of IR and non-contact temperature testers; dual input thermometer (T502KJ); TIR9PEN; four-in-one non-contact thermometer (T151)

Khanyisa Electrical Suppliers
Full range of temperature testers (Fluke, Major Tech, HellermannTyton)

Major Tech
K and J Type temperature meters

R&C Instrumentation
Portable and fixed infrared thermometers; Ex- and IS-rated infrared thermometers

Voltex
Various well-known brands available

INSULATION TESTERS

ACTOM Electrical Products
Full range of insulation testers

ARB Electrical Wholesalers
Full range of insulation testers

Atlas
Various well-known brands available

Comtest
Full range of Fluke insulation and resistance testers

Electrahertz
Range of insulation testers

Electro Test Instrumentation
Full range of insulation testers

HellermannTyton
Complete range of digital and analogue insulation testers

Indlovu Enterprises
Range of insulation testers - 5 kV, 10 kV, 15 kV, 25 kV

Khanyisa Electrical Suppliers
Full range of power tools (Megger, Fluke, Major Tech, HellermannTyton)

INSULATION TESTERS

Major Tech
Complete range of analogue and digital insulation testers up to 12 kV

Megger
MIT; MFT

Voltex
Various well-known brands available

POLARITY/ELCB TESTERS

ACTOM Electrical Products
Full range of polarity/ELCB testers

ARB Electrical Wholesalers
Full range of polarity/ELCB testers

Atlas
Various well-known brands available

Comtest
Fluke polarity/ELCB testers

Electrahertz
Range of polarity/ELCB testers

HellermannTyton
Complete range of polarity/ELCB testers; industrial ELCB (TELE10L); ELCB testing/polarity (TEL2SC, TEL1TLB))

Major Tech
Industrial and domestic ELCB testers

MCE Electric
MCE socket tester

Megger
MIT; MFT

Voltex
Various well-known brands available

STANDARD METERS

ARB Electrical Wholesalers
Full range of standard meters

Atlas
Various well-known brands available

Comtest
Range of Raium meters

Electrahertz
Range of standard meters

HellermannTyton
Full range of standard meters

Khanyisa Electrical Suppliers
Full range of standard meters (Ideal, Owl, CBI, Swan)

Magnet Group
Full range of standard meters

Major Tech
Complete range of test leads CAT IV 600 V for virtually all instruments

MCE Global Suppliers
MCE ammeters, voltmeters

Phoenix Contact
Full range of standard meters

Voltex
Various well-known brands available

Waco
Range of Amprobe and Waco multimeters

TEST LEADS

ARB Electrical Wholesalers
Full range of test leads

Atlas
Various well-known brands available

Comtest
Full range of test meters

Electrahertz
Range of test leads

Electro Test Instrumentation
Full range of test leads

HellermannTyton
Complete range including leads, crocodile and banana clips; TAL24, TAL30ARBK; TELEWR50F

Indlovu Enterprises
Range of test leads

Khanyisa Electrical Suppliers
Full range of power tools (Major Tech, Fluke, HellermannTyton)

Magnet Group
Full range of test leads

Major Tech
Range of modular test lead sets and croc clips in PVC and silicone insulation
